

“Jetravaille”

in an educational childcare centre

IMPORTANT INFORMATION ON POSTING YOUR JOB VACANCIES!

The aims of this operation are to:

- Steer available workers in your direction to facilitate recruitment.
- Identify overall workforce needs in educational childcare establishments in Québec.
- Support the implementation of a number of projects designed to increase the workforce available to work in your childcare centres.

You are invited to post all your job vacancies:

- Qualified early childhood educator
- Non-qualified early childhood educator
- Specialized educator
- Educational and technical support consulting agent
- Assistant educator
- Cook
- Cleaner or sanitation attendant
- Kitchen attendant
- Administrative personnel: accounting secretary, etc.

To attract applicants, you are invited to personalize your job offers and to provide the following details for each offer:

- Your contact information
- Your specific needs
- A job description
- The working conditions (salary and other conditions such as employee benefits)
- The advantages of working for your childcare centre (work schedule, etc.)

All jobs posted no later than **November 20, 2020** will be compiled and make it possible to achieve the aims.
